CAREER OBJECTIVE

Motivated Computer Science undergraduate with strong foundations in programming, data structures, and web development. Seeking a Software Developer/Engineering internship to apply problem-solving skills, build scalable applications, and gain industry experience while continuously strengthening core computer science concepts and preparing for competitive technical examinations.

EDUCATION

B.Tech in Computer Science Engineering

Government Engineering College Wayanad (APJ Abdul Kalam Technological University)

2023 – 2027

CGPA: **8.53 / 10**

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, JavaScript

Frontend: HTML, CSS, Bootstrap, React (basic), jQuery

Backend: Node.js (basic), Express.js (basic)

Databases: MySQL, MongoDB

Core CS Concepts: Data Structures, Operating Systems, Computer Networks, DBMS

Tools & Platforms: Git, GitHub, Linux CLI, VS Code

PROJECTS

Skill Swap Platform (Web Application)

- Developed a platform that allows users to exchange and learn skills from each other
- Implemented user interface and interaction features using web technologies
- Technologies: React, [Node.js](#), Express, MongoDB

E-Commerce Website

- Designed an online shopping web application with product listing and navigation
- Implemented responsive UI and basic shopping functionalities
- Technologies: React, Node.js , Express, mongoDB

Movie Reservation System

- Built a system to simulate movie ticket booking and seat reservation
- Implemented structured data handling and user input validation
- Technologies: HTML , CSS , JavaScript

Chatbot Project

- Developed a simple chatbot interface capable of responding to user queries
- Implemented basic input processing and response logic

Terminal Portfolio Website

- Created a command-line styled personal portfolio website
- Demonstrated creativity and frontend design concepts

Facebook Login Page Clone

- Replicated the UI of Facebook login page for frontend practice
- Focused on layout accuracy and responsive design

Web Calculator

- Designed an interactive calculator performing arithmetic operations
- Implemented using JavaScript event handling

Personal Portfolio Website (Aashish's Website)

- Built and deployed a personal portfolio showcasing projects and skills
-

POSITIONS OF RESPONSIBILITY

Class Representative

- Acted as a communication bridge between faculty and students
 - Coordinated academic information, schedules, and class activities
-

SOFT SKILLS

- Problem Solving
 - Teamwork & Collaboration
 - Communication
 - Leadership
 - Time Management
-

INTERESTS

- Programming & Web Development
- Learning Computer Science fundamentals
- Technology exploration
- Fitness & Gym
